

Work From Home

Skyline

Upgrade your outdated office furniture with our Skyline collection. This contemporary look features grey-walnut woodgrain, and brushed chrome hardware. Complete the look with our Blandford Lounge collection. The smooth, black vegan leather seating paired with our Skyline occasional tables create a stylish space for any exec lounging in the comfort of their own home.

LCS

Create a traditional atmosphere with our LCS collection. This line is crafted with rich, dark cherry laminate and black hardware. Or sit back and relax in our Blandford Lounge collection. Whether your space allows for a sofa, love seat or clubs chairs, the soft black vegan leather and our occasional tables create a sophisticated spot.

Stretch & Sit Stand

Looking for the ultra-modern look? Choose from our standard desk or height adjustable model for good health and fitness. Choose from many convenience grommets, monitor arms, and storage options to complete your ensemble. The smooth lines of our vegan leather Blandford collection paired with matching occasional tables will create your contemporary oasis.
