Social Distancing Screens

Gateway's Social Distancing Screens act as a protective shield to help minimize the spread of germs. These are easy to clean and install. They require minimum-to-no reconfiguring! They are designed to work with any existing product, including Stretch Benching, Sit-Stand Desks, and Workstations. The Social Distancing Screens are meant to protect your environment by adding a barrier between people and preventing the spread. It is not meant to cure Covid-19. Please review your state guidelines and requirements. Gateway screens, brackets, and attachment hardware are designed to be easily installed in most industry standard applications. The dealer is responsible to understand how the product is being mounted on the product being enhanced. Please contact your market manager should you have any questions prior to specifying and order entry.

Applications

Free Standing

Use our clear acrylic Foot Kit or F Channel to safely stand anywhere!

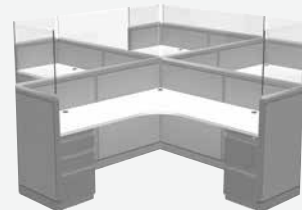

Independence

The Independence is a free standing full-height screen. This is also available with casters for easy mobility.

Surface Mount

Use a variety of mounting options to apply to any surface; laminate, metal, glass or wood.

Panel Mount

There is a variety of mounting options to attach to any panel system like our L-Shape.

Materials

Clear Acrylic

Standard Clear Acrylic is $\frac{3}{8}$ " inch thick with radius corners and edges. It is cut and manufactured to order.

Custom sizes available

Finish Code	AC
Height	12" 16" 24" 30"
Width	24" 30" 36" 42" 48" 60" 72"

Social Distancing Screens

How to Apply

Surface Mount

Use our F Channel to apply to any surface; laminate, metal, glass or wood with VHB adhesive. Standard F Channel is 2" less than screen width to allow for intersecting.

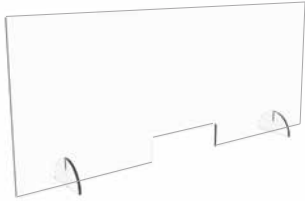

Panel Mount

Use our F Channel to apply to any surface; laminate, metal, glass or wood with high bond adhesive.

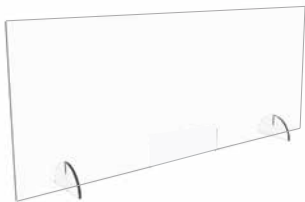

Universal Bracket shown

Social Distancing Screens

Free Standing

Our Free Standing Social Distancing Screens are perfect for reception stations, conference rooms, and training areas. They are available with the clear acrylic foot kits, or F Channel application. They can also have a transaction slot which is perfect for retail spaces.

Social Distancing Screens

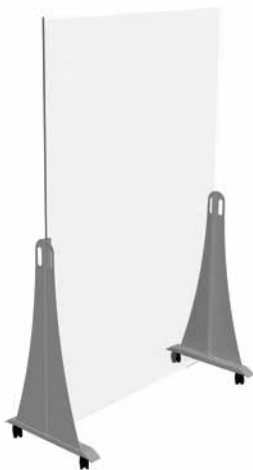

Independence

Independence screens are great for divisions of open plan workstations and benching. They are essential for dividing open areas such as cafes, collaboration groups, libraries, gyms, classrooms and training areas.

They are standard with adjustable with glides, and locking casters are available for mobility.

Frames are standard in Designer Grey & Designer White. Other finishes are available.

Clear Acrylic is $\frac{3}{8}$ " thick, standard sizes:
30" x 60" | 36" x 60" | 42" x 60" | 48" x 60"
30" x 72" | 36" x 72" | 42" x 72" | 48" x 72"

Available with casters for easy mobility

Social Distancing Screens
